SUBJECT: Inquiries for petition under 37 CFR 1.378

OFFICE OF PETITIONS

Dear Sir,

Attached herewith, please refer to a mail dated on Jan.25,2010 which was delivered to us from USPTO recently.

As USPTO mentioned therein, we agree that our patent (No.6332326) was unintentionally expired due to our delay in payment of maintenance fee.

Therefore, as we wish to take steps for reinstating aforesaid patent as soon as possible, your kind advise on the following questionnaires would be highly appreciated (if possible, please reply to our e-mail address ; ssk@himssen.com);

1. Whether we should pay maintenance fee, delay surcharge and petition fee prior to filing a petition under 37 CFR 1.378.
 - If not, please advise the entire procedures and required documents.
2. HOW MUCH SHOULD WE PAY THE RESPECTIVE AMOUNT OF MAINTENANCE FEE (FOR A PERIOD OF 3.5 YEARS), SURCHARGE AND PETITION FEE (FOR YOUR REFERENCE, WE ARE BELONGED TO A SMALL ENTITY)?
3. AS an unregistered e-filer of EFS-Web, how can we submit a petition to accept unintentionally delayed payment of Maintenance Fee in an expired patent(37 CFR 1.378 (c))
 - We tried to use e-petition on EFS-Web, but failed due to an error in filling out the required form of SB66 (especially, the system do not recognize our signature). Is it impossible for us to us e-petition until we register our signature? Then how long will it take to complete registering our signature?
4. For faster and more convenient correspondence, please advise the name of the person in charge, e-mail address and other transmission numbers.

Thanking for your kind cooperation, in advance,

Sincerely yours,

Shang Kooun Shim / CEO of Himssen Esco Co.,Ltd.
